2. DROP YOUR RAFFLE TICKET
IN THE RED BOX

Bon Appetit...

WWISCAA's Drive-Thru Food Festival

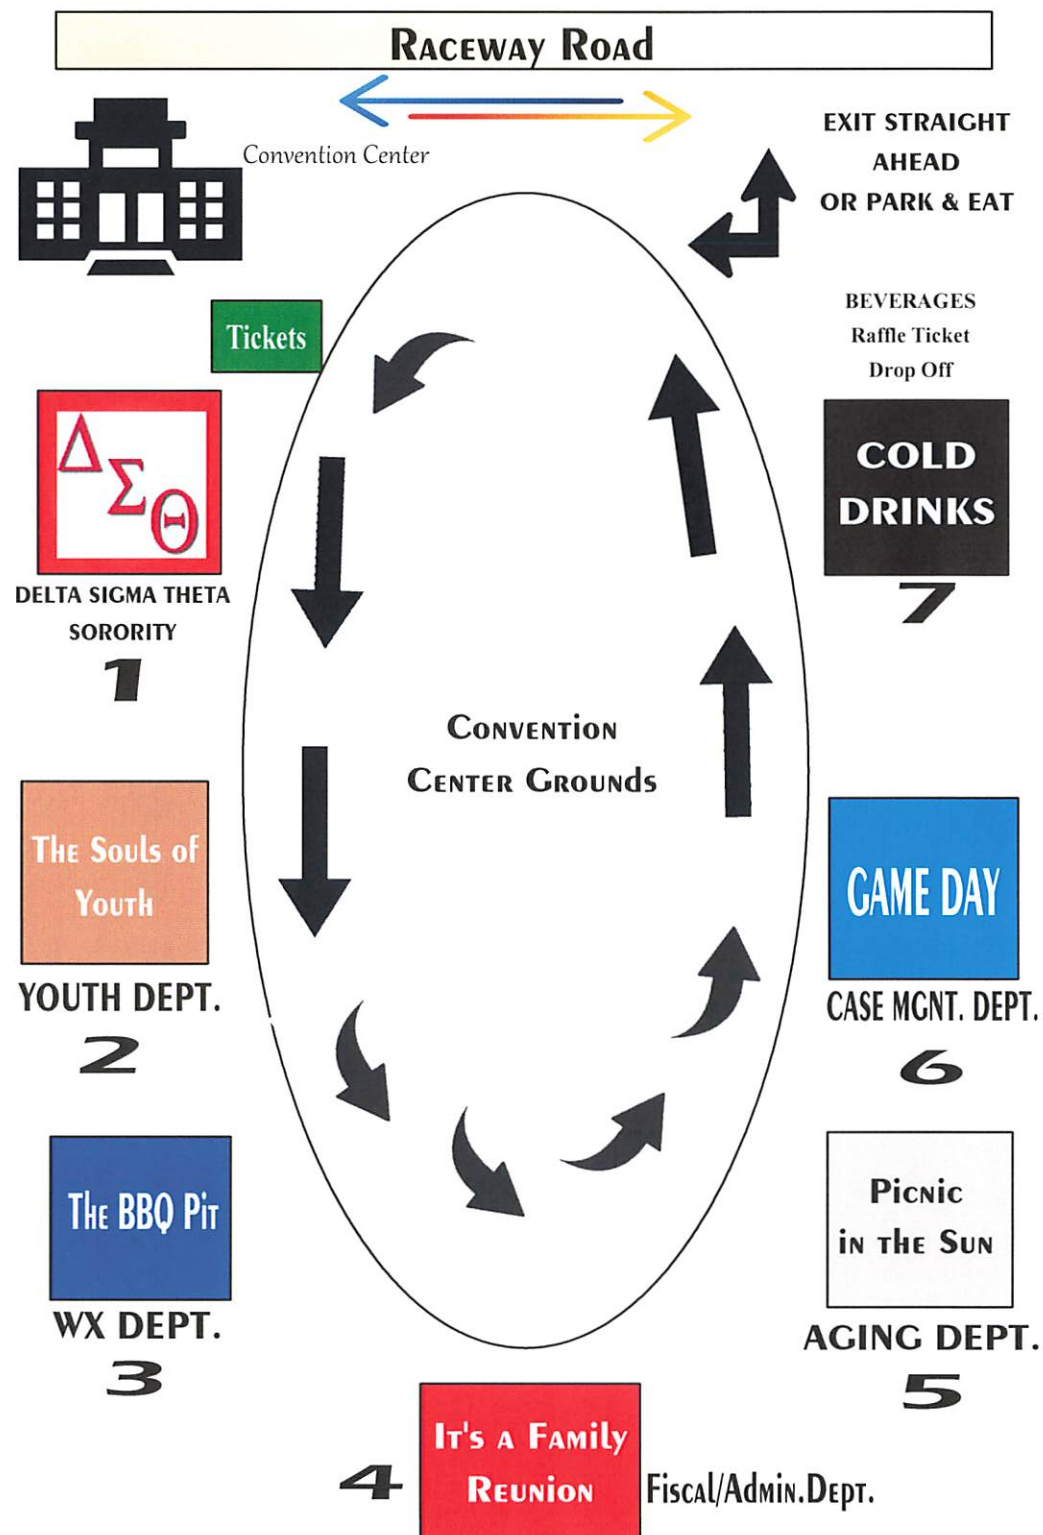

Your ticket entitles you to 2 plates from the booths of your choice.
You can not select which food items you want from the booth; the group will serve what they have prepared.

1. For safety purposes, please wear a mask.
2. Pull up; show your ticket; receive a wristband, raffle ticket & souvenir bag. Fill out the raffle ticket & sign form to acknowledge receipt of items. If you do not have a ticket, you may purchase one @ the **GREEN BOOTH** for \$15.00. We will not be able to change large bills over \$20
3. Review the menu on the opposite side & decide which booths you want to get your plates from.
4. Each booth is color-coded on the menu and on the diagram 
5. Drive thru to the first booth you have selected (1-6).
6. **STAY IN YOUR VEHICLE.** Roll down your window. Give the staff your ticket to punch. This will indicate you have received a plate from them.
7. Proceed to the next chosen booth and repeat the process.
8. Pay close attention that you do not pass the booth(s) you have decided upon, because you will not be able to turn around.
9. If you pass the booth you intended to stop at, select another one or exit and get at the end of the drive-thru line.
10. Once your ticket has been punched 2 times, you can not receive another plate using that ticket.
11. After receiving your plates, stop at the **BLACK BOOTH- (COLD DRINKS)** to pick up your beverage.
12. Drop the raffle ticket in the **RED Box** @ the **BLACK BOOTH.** If you are a winner, you will be notified when & where to pick up your gift.
13. **EXIT** or *Park and Eat in the Designated area.*

Thank you for your continued support and patience.

Jannis Williams, Executive Director

Brenda Haralson, Board Chairman

WWISCAA's 29th Annual

Thank You!!!

To Our Donors, Supporters & Sponsors

Thank you so much for your support of our organization! We are thrilled to work with you for our 29th Annual Food Festival.

The Food Festival, one of WWISCAA's main fund-raising events, has become a seasonal tradition for many and is a very good celebration of diversity in the Delta area as well as an opportunity for civic engagement.

Serving food has been one of the biggest challenges for in-person events in time of the COVID-19 pandemic. Because of the uncertainties of COVID, WWISCAA decided to host a drive-through Food Festival. This outdoor experience was created specifically with COVID safety measures in mind. This way, food festival lovers can still get the feel of the food festival from their vehicle, proving that a food festival can exist beyond four (4) walls.

Proceeds will be used to provide additional meals, transportation and other needed services to less fortunate individuals in the community.

The success of this annual event would not be possible without your participation!

Jannis Williams
Executive Director
